What can a dog smell that we can't?

Listen to the whole episode. Then answer in your own words.

1 **What reaches a dog’s nose when it smells something?**

2 **Why does a dog sniff and change position during a search?**

3 **What does a detection dog learn during training?**

4 **Draw a scent detective’s search**

Hide a toy near a bush in your drawing. Use arrows for moving air and show two places the dog might check. Explain one choice.
