Mona Lisa: The Smile, the Inventor and the Great Theft

Listen to the whole episode. Then answer in your own words.

1 **How did Leonardo use observation in both art and invention?**

2 **What do soft changes between light and shadow do to Mona Lisa's expression?**

3 **How did the theft make the painting better known?**

4 **Change an expression with one small detail**

Draw two faces with the same eyes. Change the mouth slightly. Write how each expression looks to you.
