ONE BIG QUESTION

STUDENT WORKSHEET

Name: _____ Class: _____

# How do whales rule the ocean?

Listen to the whole episode. Then answer in your own words.

**1** **How does a blue whale separate krill from a mouthful of water?**

**2** **How does a sperm whale find prey in darkness?**

**3** **How does a young orca learn its group's hunting methods?**

**4** **Design a robot that borrows from whales**

Draw an underwater robot that finds food or objects. Label two features and explain which whale ability inspired them.
