Why do birds fly away for winter?

Listen to the whole episode. Then answer in your own words.

1 **Why does a swallow leave for winter while a great tit can stay?**

2 **Why does a migrant bird store fat before its journey?**

3 **How does a V formation help geese?**

4 **Plan a migrant bird’s route**

Draw a start, a stopping place and a destination. Add one difficult crossing. Explain why the stopping place matters.
