STUDENT WORKSHEET

Name: _____ Class: _____

Which came first: the chicken or the egg?

Listen to the whole episode. Then answer in your own words.

1 **Why is the broad answer to chicken or egg “the egg”?**

2 **How does a chick developing inside an egg get oxygen?**

3 **How did wild red junglefowl become domestic chickens?**

4 **Draw an egg’s protective package**

Show how an egg protects the developing animal and supplies food and suitable conditions. Add three explanatory labels.
