ONE BIG QUESTION

STUDENT WORKSHEET

Name: _____ Class: _____

What happened to the dinosaurs?

Listen to the whole episode. Then answer in your own words.

1 **How could Triceratops and Ankylosaurus defend themselves?**

2 **Why did the asteroid threaten animals far from the impact?**

3 **Which dinosaur branch is still alive?**

4 **Show a food-chain chain reaction**

Draw a plant, a plant-eater and a predator. Connect them with arrows. Explain what happens if the plant gets too little light.
