STUDENT WORKSHEET

Name: _____ Class: _____

How was Earth born?

Listen to the whole episode. Then answer in your own words.

1 **How did small pieces grow into a planet?**

2 **Why did iron collect near Earth’s centre?**

3 **How did cooling help oceans form?**

4 **Draw four early chapters of Earth**

Show dust and pieces, a hot young Earth, a layered Earth and forming oceans. Use drawings or short texts.
