The Race to the Moon

Listen to the whole episode. Then answer in your own words.

1 **Why did Saturn V discard empty stages?**

2 **What did Michael Collins do while the others were on the Moon?**

3 **What protected the crew during the return to Earth's surface?**

4 **Draw the journey home from the Moon**

Show four stages: leaving the Moon, meeting the other spacecraft, entering the atmosphere and splashing down. Add one important piece of equipment.
