STUDENT WORKSHEET

Name: _____ Class: _____

What Lives in the Deepest Ocean?

Listen to the whole episode. Then answer in your own words.

1 **How does an anglerfish use light to catch food?**

2 **What is marine snow?**

3 **How does a mouthless tube worm get food?**

4 **Invent a deep-sea animal**

Draw an animal and label two features that help it find food in darkness or save energy.
