Where Did the Vikings Sail?

Listen to the whole episode. Then answer in your own words.

1 **Why was a shallow Viking hull useful?**

2 **How did a ship move when the wind was not useful?**

3 **What evidence of Norse voyages was found in Canada?**

4 **Choose a ship for a journey**

Draw a ship for either a river journey or moving supplies to a new home. Label two features that help with your chosen journey.
