STUDENT WORKSHEET

Name: _____ Class: _____

What Makes a Volcano Erupt?

Listen to the whole episode. Then answer in your own words.

1 **What is the difference between magma and lava?**

2 **How can gas bubbles make an eruption more explosive?**

3 **How can an eruption build a new mountain?**

4 **Draw two different eruptions**

Show runny lava beside an explosive eruption of sticky magma. Show what happens to the gas.
